

# ANACORTES YACHT CHARTERS

## Yacht Systems Mechanic

### Full Time Position

Hours: F/T hours, expect longer hours during the summer boating season. Weekend work required. Overtime required as needed.

Hourly: D.O.E. – *prior industry experience or instruction experience is required.*

### Reports to Operations Manager

We are looking for reliable, professional, experienced people to join our #1 rated charter company. Candidates will have:

- Hands on experience with on board systems for both Power & Sail. Including but not limited to:
  - Diesel Mains & Generators
  - Electrical Systems, batteries, inverters/chargers, electronics; ABYC Certified a plus.
  - Fresh Water & Black Water Plumbing
  - Troubleshoot wide variety of systems in a charter service fleet of 65 boats
- Previous experience with vessel repair and maintenance.
- The ability to thoroughly and legibly complete all daily paperwork.
- A willingness to work as necessary to get the job done.
- The ability to be self-motivated and work efficiently.
- Ability to guide and setup Mechanic Assistants on various projects.
- Boat handling skills preferred, local knowledge a plus.
- A team attitude, being willing to help other departments as needed.

As a representative of AYC, must present a clean, professional appearance and possess a healthy attitude.
